Experience

Marketing Specialist- *University of Miami*

August 2024-Present

- **Led and mentored** a student design team, providing art direction, feedback, and project delegation to maintain high creative standards.
- **Managed** design workflows through Wrike, coordinating with campus partners and overseeing revisions across print, digital, and event assets.
- **Designed** a new University Center wall installation for the Centennial Celebration, creating a cohesive visual system that connected to the adjacent gallery.
- **Developed** full branding for the Centennial Celebration event, Canes Carnival, including merchandise, signage, and social graphics with 8,000+ attendees.
- **Created** a commemorative Centennial Homecoming t-shirt with a fast-paced turnaround time; 2,500 shirts were produced and fully distributed.

Real Time Designer- *Warner Bros. Discovery*

September 2024-October 2025

- **Designed** real time social graphics for breaking sports news during weekend coverage, delivering fast turnaround assets within 5–20 minutes.
- **Collaborated** with social media programmers via Slack to confirm copy, tone, and photo assets for each request.
- **Adapted** to fluctuating content volume, producing a variable number of graphics per shift while maintaining accuracy and brand consistency.
- **Created** an original Valentine's Day design for the March Madness brand, published on official X and Instagram channels.
- **Achieved** viral engagement with a Cam Ward quote graphic generating 5.6M+ views on X.

Photography Intern- *Walt Disney World*

January 2024-June 2024

- **Photographed** food and beverage items for menus across Walt Disney World resorts and parks, producing imagery viewed by thousands of guests daily.
- **Art directed** a full menu revamp and led creative direction for a May the 4th Star Wars foodie campaign.
- **Designed** an "Art Direction 101" training presentation for incoming interns to establish creative standards.
- **Coordinated** shoots with Disney partners across multiple locations, managing logistics, shot lists, and on site needs.
- **Styled, lit, and directed** a full shoot independently for the Pastry Culinary Director.
- **Produced** photography featured on Disney menus, in park signage, DisneyEats Instagram, and the official Disney food blog.

Communications Specialist- *City of Coral Gables*

August 2023-January 2024

- **Designed** digital and print materials including advertisements, newsletter visuals, and social media graphics.
- **Produced and scheduled** content across official city social channels.
- **Contributed** to the weekly city newsletter, supporting layout and visual storytelling.
- **Photographed** local businesses for the "Hot Spots" video series, enhancing community engagement.

Graphic Designer- *University of Miami Athletics*

September 2022-May 2023

- **Created** custom graphics for women's basketball recruits, supporting the program's recruiting strategy. As well as, designed printed materials and promotional layouts showcasing future facilities and team culture.
- **Produced** marketing assets and backdrops for events, photoshoots, and social media.
- **Collaborated** with coaches and communications staff to deliver timely, high quality graphics.
